

ROSES

The queen of flowers. The pictures below are only a few of the many we have on hand. You will have better success when you use enriched peat moss which we give free with every rose order.

Curly Pink
Brownell Sub-zero
(Patent No. 842)

Orange Ruffles
(Patented)

F. K. Druschki

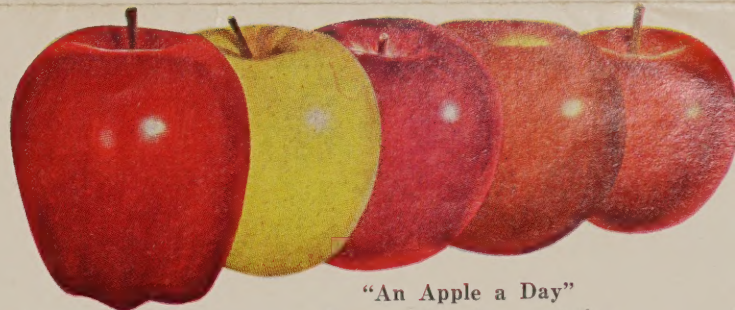

Crimson Glory

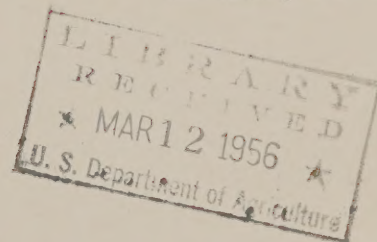

Pfitzer Juniper

Moffeti Juniper

"An Apple a Day"
See catalog for varieties

"Fruit trees are ornamental as well as useful," says Harold Thomforde as he bites into a nut flavored Chestnut Crab just picked from one of his many fruit trees. Beginning with the dwarf North Star cherry which ripens in July and winding up with ripe Haralson apples in October a long season of enjoyable fruit picking is possible.

BERGESON NURSERY
FERTILE, MINNESOTA

"The place to go for trees that grow"

Just three of the
200 named Lilacs

THE NEW AND GLORIOUS RED
SPLENDOR CRAB. We consider it
a great privilege to be its intro-
ducer. Northland's most valuable
ornamental tree.

Red Splendor Flowering Crab

Hills of Snow
Hydrangea

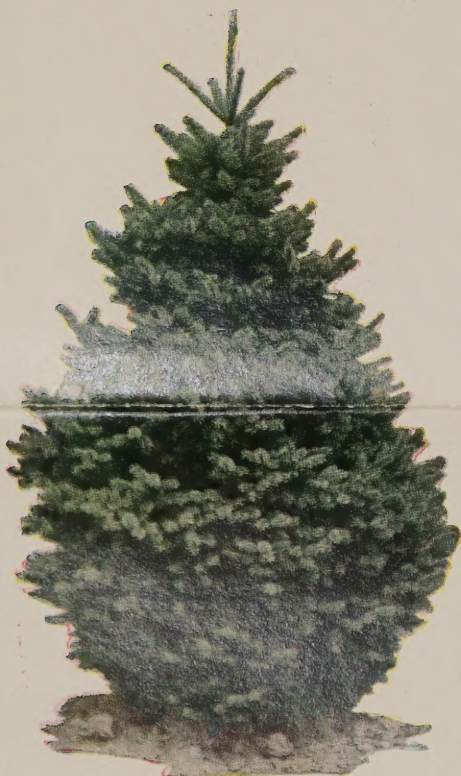

Latham Raspberry

Pipestone Plum

Red Leaved Barberry

Black Hills Spruce

Jiminy
Cricket
(Pat. 1346)

Paul's Scarlet
Climbing Rose

We recommend the new Dropmore Scarlet
Trumpet Honeysuckle Vine from Canada
as our best vine. Entirely hardy, easy to
grow, has many yellow and red flowers all
summer. (Not illustrated.)
